REPAIR AUTHORIZATION

The damage report and estimated repair price are based upon our detailed inspection of your vehicle and does not include repairs, other than itemized. Occasionally additional damage will be discovered once the work is opened up, and additional repairs will be required. Repairs will be made for you as owner. If you do not intend to pay with your own funds, please make certain the insurance company can deliver their check to you in time to pick up your vehicle. All repairs must be paid in full before the vehicle will be released. If a lien holder is named on the insurance check, their endorsement must be obtained. We are proud of our technicians and their superior quality craftsmanship. Thank you for letting us serve you.
